

**Source Notes for  
FAMILY VALUES AT WORK: IT'S ABOUT TIME**

**Notes appearing on pp. 5-8**

**President Johnson quote:** Johnson, Lyndon B., Commencement Address at Howard University (“To Fulfill These Rights”), June 4, 1965, available online at <http://www.lbjlib.utexas.edu/johnson/archives.hom/speeches.hom/650604.asp>.

**Durant quote:** Durant, Will & Ariel Durant, *The Lessons of History* (New York: Simon & Schuster, 1968).

**Low-income parents sanctioned for taking time off to meet family needs:** Dodson, L., Tiffany Manuel, & Ellen Bravo, *Keeping Jobs and Raising Families in Low-Income America: It Just Doesn't Work* (Cambridge, MA: Radcliffe Institute for Advanced Study, 2002).

**145 of 173 nations guarantee paid sick days:** Heymann, Jody, Allison Earle & Jeffrey Hayes, *The Work, Family, and Equity Index: How Does the United States Measure Up?*, McGill University Institute for Health and Social Policy, 2007, available online at <http://www.mcgill.ca/files/ihsp/WFEIFinal2007.pdf>.

**Barely half of private sector workers receive paid sick days:** Testimony of Heidi I. Hartmann, Institute for Women's Policy Research, Before the U. S. Senate Committee on Health, Education, Labor, and Pensions, February 13, 2007, p.2, available online at [http://help.senate.gov/Hearings/2007\\_02\\_13/Hartmann.pdf](http://help.senate.gov/Hearings/2007_02_13/Hartmann.pdf).

**Only 11 percent of low-income workers authorized to take paid sick days to care for sick child:** Lovell, Vicky, *No Time to Be Sick: Why Everyone Suffers When Workers Don't Have Paid Sick Leave*, Institute for Women's Policy Research, 2004, p.10, available online at <http://www.iwpr.org/pdf/B242.pdf>.

**Parents' presence reduces lengths of children's hospital stays:** Heymann, Jody, Testimony Before the U.S. Senate Committee on Health, Education, Labor, and Pensions, February 13, 2007.

**40 percent of working parents say job schedules negatively affected child's health:** Flatley McGuire, Jean., Phyllis Braschler, & Kaitlyn Kenney, *Promoting Children's Well-Being: The Role of Workplace Flexibility*, Workplace Flexibility 2010, Georgetown University Law Center, 2006, available online at [http://www.law.georgetown.edu/workplaceflexibility2010/documents/FF\\_Color\\_CD\\_Facts.pdf](http://www.law.georgetown.edu/workplaceflexibility2010/documents/FF_Color_CD_Facts.pdf).

**21 million caregivers work full-time and 5 million work part-time:** *Caregiving in the U.S.*, National Alliance for Caregiving and AARP, Funded by MetLife Foundation, April 2004, available online at <http://www.caregiving.org/data/04finalreport.pdf>.

**Number of caregivers to rise 50 percent:** *The Future Supply of Long-Term Care Workers in relation to the Aging Baby Boom Generation*, U.S. Department of Health and Human Services, May 14, 2003, available online at <http://aspe.hhs.gov/daltcp/reports/ltcwork.pdf>.

**Average nursing home costs \$70,000 per year:** *Fact Sheet : Selected Long-Term Care Statistics*, Family Caregiver Alliance, 2005, available online at [http://www.caregiver.org/caregiver/jsp/print\\_friendly.jsp?nodeid=440](http://www.caregiver.org/caregiver/jsp/print_friendly.jsp?nodeid=440).

**Vast majority in home-based care rely on family and friends:** *ibid.*

**Notes appearing on pp. 8-12**

**Family and other informal caregivers play a critical role:** Walker, David M., US Comptroller General, "Long Term Care: Aging Baby Boom Generation Will Increase Demand and Burden Federal & State Budgets," General Accounting Office, GAO-02-544T, March 2002, available online at <http://www.gao.gov/new.items/d02544t.pdf>.

**More than 60 percent of employed caregivers forced to miss work:** *Caregiving in the U.S.*, National Alliance for Caregiving and AARP, Funded by MetLife Foundation, April 2004, available online at <http://www.caregiving.org/data/04finalreport.pdf>.

**More than 50 million have taken job-protected leave through FMLA:** No precise current data are available on the number of workers who have utilized FMLA since 1993, but in January 2001 U.S. Secretary of Labor Alexis Herman reported that more than 35 million covered and eligible workers had taken family or medical leave since 1993, and in a 2007 review of FMLA the Labor Department estimated that 6 to 13 million workers took FMLA leave in 2005.

**Roughly 20 percent of family and medical leave taken to care for seriously ill spouse or parent:** In a 2000 national FMLA survey, 17.3 percent of all family and medical leaves were taken to care for an ill spouse or parent. Waldfogel, Jane, "Family and Medical Leave: Evidence from the 2000 Surveys," *Monthly Labor Review*, September 2001, p.20. Downloaded from the internet: <http://www.bls.gov/opub/mlr/2001/09/art2full.pdf>.

**78 percent of workers who needed but didn't take leave said they couldn't afford to lose income:** U.S. Department of Labor, *Balancing the Needs of Families and Employers: Family and Medical Leave Surveys*, available online at <http://www.dol.gov/esa/whd/fmla/fmla/toc.htm>.

**Reno Hilton hotel guest become ill:** Details of the Reno Hilton norovirus outbreak are documented in: Lyle, Robert & John Echeverria, "Open Letter to Class Members," available online at <http://www.renonorwalkvirus.com/3172005openletter.htm>; Ching, Kenny, "Jury Awards Hotel Guests \$25 million for Illness," *Reno Gazette-Journal*, May 17, 2002; and Timko, Steve, "Hilton Sick Leave Faulted," *Reno Gazette-Journal*, May 18, 2002.

**15 percent of food workers get sick days:** Testimony of Heidi I. Hartmann, Institute for Women's Policy Research, Before the U. S. Senate Committee on Health, Education, Labor, and Pensions, February 13, 2007, p.2, available online at [http://help.senate.gov/Hearings/2007\\_02\\_13/Hartmann.pdf](http://help.senate.gov/Hearings/2007_02_13/Hartmann.pdf).

**18 percent of construction workers and 22 percent of security guards get paid sick days; while 42 percent of all U.S. workers and 48 percent of private sectors do not:** *ibid.*

**Just 21 percent of low-income workers get paid sick days:** *ibid.*

**Low-income workers not primarily teens flipping burgers:** "What Do We Know About Entry-Level, Hourly Employees?" *Research Brief No. 1*, Families and Work Institute, November 2006, available online at <http://familiesandwork.org/eproducts/brief1.pdf>.

**Less than half of workers in poverty receive a single day of paid time off:** Ross Phillips, Katherin, *Getting time off: Access to Leave Among Working Parents*, Urban Institute, 2004, available online at [http://www.urban.org/UploadedPDF/310977\\_B-57.pdf](http://www.urban.org/UploadedPDF/310977_B-57.pdf).

**Tricia Gooding story:** Gooding, Patricia, Testimony Before the Joint Standing Committee on Labor, State of Maine Legislature, April 4, 2007.

**Virtually every nation offers women paid time off following childbirth:** Heymann, Jody, Allison Earle & Jeffrey Hayes, *The Work, Family, and Equity Index: How Does the United States Measure Up?*, McGill University Institute for Health and Social Policy, 2007, available online at <http://www.mcgill.ca/files/ihsp/WFEIFinal2007.pdf>.

**Notes appearing on pp. 12-17**

**Australian maternity leave and birth payments:** Information on Australian maternity payments from Centrelink, an agency of the Australian government, available online at <http://www.centrelink.gov.au/internet/internet.nsf/payments/maternity.htm>.

**Amber Walker story:** Amber Walker v. Fred Nesbit Distributing Co., United States District Court for the Eighth Circuit, Southern District of Iowa, . . . [I don't know how to footnote this, but here's the website: [http://www.iasd.uscourts.gov/iasd/opinions.nsf/0/c033a23afd3ae1f686256eee005c7b7e/\\$FILE/Walker%208-12-04.pdf](http://www.iasd.uscourts.gov/iasd/opinions.nsf/0/c033a23afd3ae1f686256eee005c7b7e/$FILE/Walker%208-12-04.pdf).

**Facts on At-Will Employment:** McGowan, Kathleen, C., Unequal Opportunity in At-Will Employment: The Search for a Remedy," *St. John's Law Review*, Winter 1998, available online at [http://findarticles.com/p/articles/mi\\_qa3735/is\\_199801/ai\\_n8792969/pg\\_1](http://findarticles.com/p/articles/mi_qa3735/is_199801/ai_n8792969/pg_1).

**Court ruling against Joanna Upton:** Joanna Upton vs. JWP Businessland, 425 Mass. 756, 1997.

**Courts don't support women's right to breastfeed:** Martin, Melissa, *Breastfeeding in the Workplace: Accommodating Women and Benefiting Employers*, unpublished paper, available online at [http://works.bepress.com/cgi/viewcontent.cgi?article=1000&context=melissa\\_martin](http://works.bepress.com/cgi/viewcontent.cgi?article=1000&context=melissa_martin).

**Marlene Warfield story:** Kantor, Jodi, "On the Job, Nursing Mothers Find a 2-Class System," *New York Times*, September 1, 2006.

**Less than half of employed mothers receive any pay during maternity leave:** Boushey, Heather, *Family-Friendly Policies: Boosting Mothers' Wages*, Center for Economic and Policy Research, April 2005, available online at [http://www.cepr.net/documents/publications/labor\\_markets\\_2005\\_04\\_06.pdf](http://www.cepr.net/documents/publications/labor_markets_2005_04_06.pdf).

**One in 12 women continues to receive salary while on parental leave:** *Maternity Leave in the United States: Paid Parental Leave is Still Not Standard, Even Among the Best U.S. Employers (Fact Sheet)*, Institute for Women's Policy Research, August 2007, available online at <http://www.iwpr.org/pdf/parentalleave.pdf>.

**Two in five working women covered by short-term disability:** *National Compensation Survey: Employee Benefits in Private Industry in the United States, March 2006*, U.S. Department of Labor, Bureau of Labor Statistics, August 2006, available online at <http://www.bls.gov/ncs/ebs/sp/ebsm0004.pdf>.

**Parents' impact children's educational success:** Henderson, Anne T. & Karen L. Mapp, *A New Wave of Evidence: The Impact of School, Family, and Community Connections on Student Achievement*, Southwest Educational Development Laboratory, 2002, available online at <http://www.sedl.org/connections/resources/evidence.pdf>.

**Qasim Ghulam-Ali quote:** Georgia Job/Family Collaborative, available online at [http://www.gaworkingfamilies.org/index\\_files/Page501.htm](http://www.gaworkingfamilies.org/index_files/Page501.htm).

**Percentage of Married Women in the Workforce, 1900 and 1950:** U.S. Census Bureau, *Historical Statistics of the United States, Colonial Times to 1970, Bicentennial Edition, Part 1*, 1975, p.133, available online at <http://www2.census.gov/prod2/statcomp/documents/CT1970p1-05.pdf>.

**Percentage of Married Women in the Workforce, 2000:** "Table 584. Employment Status of Women by Marital Status and Age of Children: 1970 to 2005," *Statistical Abstract of the United States, 2007: The National Data Book*, U.S. Department of Commerce, Bureau of the Census, available online at <http://www.census.gov/prod/2006pubs/07statab/labor.pdf>.

**Labor force participation of married mothers with children, 1950:** U.S. Census Bureau, *Historical Statistics of the United States, Colonial Times to 1970, Bicentennial Edition, Part 1*, 1975, p.133, available online at <http://www2.census.gov/prod2/statcomp/documents/CT1970p1-05.pdf>.

**Notes appearing on pp. 18-19**

**Three-fifths of married mothers with young children in workforce in 2005:** “Table 585. Labor Force Participation Rates for Wives, Husband Present,” *Statistical Abstract of the United States, 2007: The National Data Book*, U.S. Department of Commerce, Bureau of the Census, available online at <http://www.census.gov/compendia/statab/tables/07s0585.xls>.

**Increase in work hours for married mothers with children under six:** Smolensky, Eugene & Jennifer A. Gootman (Eds.), *Working Families and Growing Kids: Caring for Children and Adolescents*, National Research Council and Institute of Medicine, 2003, available online at <http://books.nap.edu/openbook.php?isbn=0309087031>.

**Increase in single-parent families since 1970:** Fields, Jason, *America’s Families and Living Arrangements: 2003*. Current Population Reports, P20-553. U.S. Census Bureau, Washington, DC, November 2004, available online at <http://www.census.gov/prod/2004pubs/p20-553.pdf>.

**Just 20 percent of mothers call full-time work ideal:** Taylor, Paul, Cary Funk & April Clark, *Fewer Mothers Prefer Full-Time Work*, Pew Research Center, July 12, 2007, available online at <http://pewresearch.org/assets/social/pdf/WomenWorking.pdf>.

**Less pay and fewer benefits for part-time workers:** Wenger, Jeffrey, *Share of Workers in ‘Nonstandard’ Jobs Declines*. Economic Policy Institute, 2003, available online at <http://www.epinet.org/briefingpapers/bp137.pdf>.

**Nine of 10 leading industries for part-time women workers pay less than \$10 per hour:** Wenger, Jeffrey, *The Continuing Problem With Part-Time Jobs*, Economic Policy Institute, 2001, available online at <http://www.epi.org/Issuebriefs/ib155/ib155.pdf>.

**Institute for Women’s Policy Research quote:** Hartmann, Heidi, Young-Hee Yoon & Diana Zuckerman, *Part-Time Opportunities for Professionals and Managers: Where Are They, Who Uses Them and Why*, Institute for Women’s Policy Research, 2000, available online at <http://www.iwpr.org/pdf/B232.pdf>.

**Families and Work Institute survey on why workers don’t work part-time:** Galinsky, Ellen, James T. Bond & E. Jeffrey Hill, *When Work Works: A Status Report on Workplace Flexibility*, Families and Work Institute, 2004, available online at <http://familiesandwork.org/3w/research/downloads/status.pdf>.

**Women Earning 80 percent more than in early 1970s:** Bernstein, Jared & Karen Kornbluh, *Running Faster to Stay in Place: The Growth of Family Work Hours and Incomes*, New America Foundation, June 2005, available online at [http://www.newamerica.net/files/archive/Doc\\_File\\_2437\\_1.pdf](http://www.newamerica.net/files/archive/Doc_File_2437_1.pdf).

**Fewer children with stay-at-home parent:** Kornbluh, Karen, “Families Valued: Creating a Twenty-First-Century Social Insurance System for Today’s ‘Juggler Families,’” *Democracy Journal*, Fall 2006, available online at [http://www.newamerica.net/files/archive/Doc\\_File\\_2437\\_1.pdf](http://www.newamerica.net/files/archive/Doc_File_2437_1.pdf).

**More than half of all first-time moms working six months after childbirth:** Overturf Johnson, Julia & Barbara Downs, *Maternity Leave and Employment Patterns of First-Time Mothers: 1961-2000*, U.S. Census Bureau, October 2005, available online at <http://www.census.gov/prod/2005pubs/p70-103.pdf>.

**63 percent of of women employed during pregnancy return to work within 12 weeks:** Waldfogel, Jane, “Public Policy and Child Outcomes: New Evidence on Parental Leave & Child Health,” paper presented at the 4<sup>th</sup> Annual Invitational Journalism-Work/Family Conference, May 2005, hosted by Brandeis University and Boston University, available online at [http://www.brandeis.edu/centers/cfwp/Conference\\_papers/Waldfogel.pdf](http://www.brandeis.edu/centers/cfwp/Conference_papers/Waldfogel.pdf).

**Notes appearing on pp. 19-21**

**Interference between jobs and families grew from 1977 to 2002:** Bond, James T., Cynthia Thompson, Ellen Galinsky & David Prottas, *Highlights of the National Study of the Changing Workforce*, Families and Work Institute, 2003.

**Newborns whose mothers return to work quickly suffer worse health:** Waldfogel, Jane, "Public Policy and Child Outcomes: New Evidence on Parental Leave & Child Health," paper presented at the 4<sup>th</sup> Annual Invitational Journalism-Work/Family Conference, May 2005, hosted by Brandeis University and Boston University, available online at [http://www.brandeis.edu/centers/cfwf/Conference\\_papers/Waldfogel.pdf](http://www.brandeis.edu/centers/cfwf/Conference_papers/Waldfogel.pdf).

**Half of U.S. mothers lose pay when they miss work to care for a sick child:** Wyn, Roberta & Victoria Ojeda, *Women, Work, and Family Health: A Balancing Act*, Henry J. Kaiser Family Foundation, 2003, available online at <http://www.kff.org/womenshealth/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=14293>.

**Corporate Voices for Working Families quote:** *Workplace Flexibility for Lower Wage Workers*, Corporate Voices for Working Families, October 2006, available online at <http://www.cvworkingfamilies.org/downloads/lower%20wage%20flex%20review%20report.pdf>.

**Low psychological well-being for working parents in inflexible workplaces:** Barnett, Rosalind & Karen C. Gareis. *Report of Findings Parental After-School Stress Project*. Community, Families, and Work Program, Brandeis University, 2004, available online at <http://www.nsba.org/site/docs/34200/34110.pdf>.

**Four million slaves in 1860:** U.S. Census Bureau, *Historical Statistics of the United States, Colonial Times to 1970, Bicentennial Edition, Part 1*, 1975, available online at <http://www2.census.gov/prod2/statcomp/documents/CT1970p1-02.pdf>.

**1.75 million child workers in 1900:** Fisk, Donald M., "American Labor in the 20<sup>th</sup> Century," U.S. Bureau of Labor Statistics, available online at <http://www.bls.gov/opub/cwc/print/cm20030124ar02p1.htm>.

**2 million workers injured and 35,000 died in industrial accidents in 1900:** Glaeser, Edward L. & Andre Schleifer, "The Rise of the Regulatory State," Harvard Institute of Economic Research, November 2001, available online at <http://econweb.fas.harvard.edu/hier/2001papers/HIER1934.pdf>.

**Garment workers earned \$6 per week for 56 hours labor:** *Tenement Encyclopedia* (online resource), Lower East Side Tenement Museum, 2005, available online at [http://www.tenement.org/Encyclopedia/labor\\_uprising.htm](http://www.tenement.org/Encyclopedia/labor_uprising.htm).

**Employment discrimination against African Americans in the District of Columbia in 1940:** *To Secure These Rights: The Report of the President's Commission on Civil Rights*, Government Printing Office, 1947, available online at <http://www.trumanlibrary.org/civilrights/srights1.htm#contents>.

**1938 report on employment discrimination against women:** Pidgeon, Mary Elizabeth, *Women in the Economy of the United States of America: a Summary Report*, Government Printing Office, 1937, available online at <http://pds.lib.harvard.edu/pds/view/3326098?n=1&res=3&imagesize=1200>.

**Lamneck quote:** cited in *How to Respond to Arguments Against Paid Sick Days: Tips for Activists*, 9to5, National Association of Working Women, undated.

**Notes appearing on pp. 21-24**

**Union workers more likely to receive short-term disability and other flexibility and benefits:**

Bureau of Labor Statistics, *National Compensation Survey: Employee Benefits in Private Industry in the United States*, March 2007, August 2007, available online at <http://www.bls.gov/ncs/ebs/sp/ebsm0004.pdf>.

**President Bush quote:** Bush, George H.W., Message to the House of Representatives Returning Without Approval the Family and Medical Leave Act of 1990, June 29, 1990, available online at <http://bushlibrary.tamu.edu/research/papers/1990/90062903.html>.

**Boushey quote:** Boushey, Heather, *Family-Friendly Policies: Boosting Mothers' Wages*, Center for Economic and Policy Research, April 2005, available online at [http://www.cepr.net/documents/publications/labor\\_markets\\_2005\\_04\\_06.pdf](http://www.cepr.net/documents/publications/labor_markets_2005_04_06.pdf).

**Workers in flexible workplaces feel less stress and greater satisfaction:** Bond, James T., Cynthia Thompson, Ellen Galinsky & David Prottas, *Highlights of the National Study of the Changing Workforce*, Families and Work Institute, 2003.

**JP Morgan workers feel less work-family stress when they have workplace flexibility:**

Barnett, Rosalind & Karen C. Gareis. *Report of Findings Parental After-School Stress Project*. Community, Families, and Work Program, Brandeis University. 2004, available online at <http://www.nsba.org/site/docs/34200/34110.pdf>.

**Corporate Voices for Working Families study on impact of flexibility on worker burnout and job commitment:** *Workplace Flexibility for Lower Wage Workers*, Corporate Voices for Working Families, October 2006, available online at <http://www.cvworkingfamilies.org/downloads/lower%20wage%20flex%20review%20report.pdf>.

**Low-income women with sick days five times more likely to stay home with sick child:**

Heymann, Jody, "Can Working Families Ever Win? Helping Parents Succeed at Work and Caregiving," Boston Review, February/March, 2002, available online at <http://bostonreview.net/BR27.1/heyman.html>.

**Business Week story on First Tennessee National Bank:** Hammonds, Keith H., "Balancing Work and Family: Big Returns for Companies Willing to Give Family Strategies A Chance," *Business Week*, September 16, 1996, available online at <http://www.businessweek.com/1996/38/b34931.htm>.

**Flexibility at SAS Institute:** Wallace, Laura, Testimony Before the Joint Economic Committee, U.S. Congress, June 14, 2007, available online at <http://jec.senate.gov/Documents/Hearings/06.14.07%20Work-Life%20Balance/Laura%20Wallace%20Testimnoy%20--%20FINAL.pdf>; and Bravo, Ellen, "The Architecture of Work and Family," *Mother Load (Special Edition of The American Prospect)*, March 2007, available online at [http://www.prospect.org/cs/articles?article=the\\_architecture\\_of\\_work\\_and\\_family](http://www.prospect.org/cs/articles?article=the_architecture_of_work_and_family).

**Less educated women who receive pay during maternity leave have higher employment and earnings:**

Boushey, Heather, *Family-Friendly Policies: Boosting Mothers' Wages*, Center for Economic and Policy Research, April 2005, available online at [http://www.cepr.net/documents/publications/labor\\_markets\\_2005\\_04\\_06.pdf](http://www.cepr.net/documents/publications/labor_markets_2005_04_06.pdf).

**Families and Work Institute quote:** Bond, James T., Cynthia Thompson, Ellen Galinsky & David Prottas, *Highlights of the National Study of the Changing Workforce (Executive Summary)*, Families and Work Institute, 2003, available online at <http://www.familiesandwork.org/summary/nscw2002.pdf>.

## Notes appearing on pp. 24-26

**Not all flexibility programs are alike:** *FLEX PACK*, Labor Project for Working Families, 2007, available online at <http://www.working-families.org/organize/pdf/flexpack.pdf>.

**Employees in flexible workplaces more satisfied and likely to remain:** *Highlights of the National Study of the Changing Workforce* (see note #45); and Bond, James T, Ellen Galinsky & Jennifer E. Swanberg, *The 1997 Study of the Changing Workforce, Families and Work Institute*, 1998.

**Sasha Corporation data on costs of turnover for low-wage workers:** “Compilation of Turnover Cost Studies: \$8.00 per hour employee in the USA,” Sasha Corporation, undated, available online at <http://www.sashacorp.com/turnframe.html>.

**Costs of worker turnover at Costco and Sam’s Club:** Cascio, Wayne C., “The High Cost of Low Wages,” *Harvard Business Review*, December 2006.

**Coca-Cola Retailing Research Council study:** Cited in Hawkes, Rod, “Retaining Good Employees is Smart Marketing Tool,” *Smart Marketing*, Cornell University, available online at [http://hortmgt.aem.cornell.edu/pdf/smart\\_marketing/hawkes11-00.PDF](http://hortmgt.aem.cornell.edu/pdf/smart_marketing/hawkes11-00.PDF).

**Mothers who receive pay during maternity leave less likely to quit:** Dube, Arindrajit & Ethan Kaplan, *Paid Family Leave in California: An Analysis of Costs and Benefits*, unpublished manuscript, 2002, available online at <http://www.iies.su.se/~ekaplan/paidfamilyleave.pdf>.

**Presenteeism more costly than absenteeism:** Hemp, Paul, “Presenteeism: At Work—But Out of It,” *Harvard Business Review*, October 2004.

**Presenteeism costs \$180 billion per year:** Cornell study cited in Levin-Epstein, Jodie, *Presenteeism and Paid Sick Days*, Center for Law and Social Policy, February 2005, available online at <http://www.clasp.org/publications/presenteeism.pdf>.

**Workers with flu infect 1.8 of every 10 co-workers:** Lovell, Vicky, *Valuing Good Health: An Estimate of Costs and Savings for the Healthy Families Act*, Institute for Women’s Policy Research, April 2005, available online at <http://www.iwpr.org/pdf/B248.pdf>.

**Cost-benefit analysis of paid sick days law:** Lovell, Vicky, *Valuing Good Health: An Estimate of Costs and Savings for the Healthy Families Act*, Institute for Women’s Policy Research, April 2005, available online at <http://www.iwpr.org/pdf/B248.pdf>.

**California paid leave law to save employers \$89 million through reduced turnover costs:** Dube, Arindrajit & Ethan Kaplan, *Paid Family Leave in California: An Analysis of Costs and Benefits*, unpublished manuscript, 2002, available online at <http://www.iies.su.se/~ekaplan/paidfamilyleave.pdf>.

**Economic costs of clinical depression:** Stewart, Walter F., Judith A. Ricci, Elsbeth Chee, Steven R. Hahn & David Morganstein, “Cost of Lost Productive Time Among US Workers With Depression,” *Journal of the American Medical Association*, June 18, 2003, available online at <http://jama.ama-assn.org/cgi/reprint/289/23/3135>.

**Workers and managers say workplace flexibility enhances productivity:** Survey cited in Levin-Epstein, Jodie, *Getting Punched: The Job and Family Clock*, Center for Law and Social Policy, July 2006, available online at [http://www.clasp.org/publications/getting\\_punched\\_fullnotes.pdf](http://www.clasp.org/publications/getting_punched_fullnotes.pdf).

**Corporate Voices for Working Families study on impact of flexibility in 29 corporations:** *Business Impacts of Flexibility: An Imperative for Expansion*, Corporate Voices for Working Families, 2005, available online at <http://www.cvworkingfamilies.org/downloads/Business%20Impacts%20of%20Flexibility%20-%20Embargoed%20Draft.pdf?CFID=25595891&CFTOKEN=48371638>.
